 Maryborough Open Gardens

Accessible • Engaging • Inspirational • Sustainable • Welcoming

## TOWN GARDENS (1-10) OPEN SAT 26 AUG • 9AM - 4PM

**Baddow House, 366 Queen Street, Maryborough**

We are very privileged to have historic Baddow House as part of the 2023 Maryborough Open Gardens with parts of the house open to the public as well as the gardens. Built in 1883 Baddow House is a Maryborough Landmark.

**Mary's Garden, The Story Bank, 331 Kent Street, Maryborough**

Mary's Garden at The Story Bank is a place where you can let your imagination run free. Explore the pocket park and search for hidden treasures to see how many different types of herbs, flowers or creatures you can find.

**Stirling, 14 North Street, Maryborough**

The grounds and gardens were established over 140 years ago. Evolving over time, enhancements and plantings provide enchantment and grace – a stunning and befitting landscape for the magnificent house.

**3 Frangipani Close, Tinana**

This garden is 3 years old with a diverse and interesting variety of shrubs and plants. The garden has small garden rooms featuring bonsais, desert roses, cacti, succulents, ferns and roses. Greenhouses, a wall feature and creative pottery and artwork will delight.

**Lupton Park Community Gardens, 45 Aberdeen Ave, Maryborough**

A unique and innovative space created by the local community. Ideas generated and organic food grown on site is shared amongst caring volunteers and with community.

**12 Poincianna Court, Tinana**

Colour and quirkiness abounds in this garden. A garden path bordered with brightly coloured and fragrant flowers is a delightful welcome for garden visitors. Follow the path to an exciting garden crammed with many forms of recycled and quirky garden art.

**6 Katherine Street, Maryborough**

A whimsical garden full of colour and creativity. Although most of the garden is less than a year old, it already captures the beauty of nature in a vibrant and expressive way and attracts an abundance of butterflies, bees and bird life.

**The Hut Food Forest, Cnr Raglan & Banana Streets, Cranville**

Maryborough Garden Club have designed and built a food forest, with recycled elements, compost, worm farms wicking beds and a community herb garden. A recycled clothes hoist frame sits majestically for the hanging garden.

**13 Arthur Street, Maryborough**

This private Rainforest Retreat has pathways and seating areas and lush views around the orchard and deck area. The owner is a keen permaculture gardener who loves to grow things from seed. She has a composting system and she makes her own soil.

**268 Albert Street, Maryborough**

This garden perfectly frames a Queenslander home and will delight visitors with the range of flowers and shrubbery that is very much a work in progress for this young garden.

**Portside, Wharf St, Maryborough**

Soak up history against a backdrop of glorious colonial architecture and riverside parklands as you explore Maryborough's original port district.

Portside offers an incredible range of heritage experiences with heritage-listed restaurants, cafes and pubs, museums and historical collections, unique links to Mary Poppins, inspiring art and culture at Gatakers Artspace, and beautiful Queens Park - one of Australia's first botanic gardens.

# COUNTRY GARDENS (12-17) OPEN SUN 27 AUG • 9AM - 4PM

12

5-9 Diamantina Drive, Howard

Set on 2 acres this old garden has been resurrected. Since 2021 new garden beds have been created with donations of plants from family, friends and local garden club members.

13

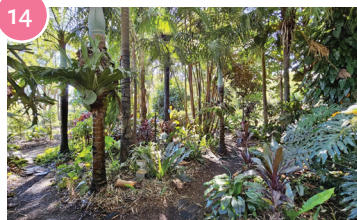

Yengarie Gallery & Garden, 64 Loudon Close, Yengarie

Walking through Yengarie Gallery & Garden feels like you are walking through a young forest in areas. With diverse garden rooms and twenty places to park yourself and relax, there is always somewhere to excite the senses.

14

230 Bidwill Road, Bidwill

Entry via Vollmerhouse Road. This garden is always evolving and has undergone renovations as every mature garden does. Visitors will be treated to a delightful rainforest theme with fruit trees and vegetables and plenty of wildlife.

15

Alpha 31 Art Gallery, 31 Alpha Plantation Road, South Tinana

Formal and structured Alpha31 is not. From gum trees to Buddha Bamboo, fruit trees to azaleas Alpha31 is an eclectic mix of trees, plants, bushes and fruit trees including a rare oak tree, on 2 acres with over 200 sculptures.

16

43 Gumtree Drive, South Tinana

Originally established as a native garden, this garden has evolved to now have a wonderful mix of palms, bromeliads, cordylines, clumping bamboo plus rare and established cycads set amongst the well established native trees.

17

22 Matilda Way, South Tinana

The garden is informal, simple and rustic with a focus on Queensland plant species. The owners are establishing a habitat through plantings and garden spaces and structures to provide food and shelter for local wildlife including koalas.

18

Queens Park, Maryborough  
OPEN ANYTIME

The historic Queens Park dates back to 1866 when Maryborough's first mayor Henry Palmer, requested that his residents have free use of land near the Maryborough wharves for recreation or public gardens.

19

Elizabeth Park Rose Gardens  
OPEN ANYTIME

The Elizabeth Park Rose Gardens was the site of Maryborough's second official cemetery which closed in 1873. In 1921 the land was converted to a public park and is now full of beautiful roses that simply delight the senses when in full bloom.
